

# We can help lower your bills.

Looking for a way to lower your monthly energy bills? **Holyoke Gas & Electric offers a free residential energy audit that can save the average homeowner hundreds of dollars per year in heating costs.**

What is an HG&E Energy Audit? It's a thorough analysis of your home's energy use by a professional energy advisor. The advisor will survey your home's insulation, heating equipment and appliances to determine areas for improvement. In addition, the advisor will install an energy-saving device at no cost to you.

After the on-site analysis, you'll be mailed a personalized report outlining the home efficiency improvements recommended by your energy advisor, as well as an estimate of the monthly cost savings you could realize. And all at no cost to you!

**Complete the attached reply card or call MMWEC Helps toll-free at (888)335-7203 to receive your free HG&E Energy Audit!**
