

HGE.net is bringing fiber optic internet further.

NEW!!

**Fiber Optic Internet
is now available at
1441 Main Street /
TD BankNorth Building!**

Fiber optic internet is
available throughout
Holyoke, Chicopee and
in Downtown Springfield

HGE.net fiber internet is:

- ▶ more secure than cable modem
- ▶ more reliable than DSL
- ▶ less expensive than a T1 line

the best internet for the Pioneer Valley

to learn more about HGE.net contact us at (413) 536-9444

HGE.net Fiber Optic Internet Service is:

- ▶ more secure than a cable modem with faster upload speeds
- ▶ available in locations that DSL service can't reach
- ▶ faster and more reliable than T-1 copper service

Fast Installation

Most fiber optic installations are completed and fully operational in 3 weeks. (or less!)

24-Hour Service

HGE.net continually monitors our fiber lines offering same day repair and diagnosis.

Multi-Site Networks

HGE.net can securely link your branch offices over our fiber cables or leased lines.

Scalable Bandwidth

HGE.net can increase your connection speed in as little as 48 hours. Just call us.

Fast Internet Links

HGE.net maintains redundant T-3 internet connections to both WiTel and MCI/UUNET.

Server Co-location

Locate your company's data servers in our secure climate controlled environment.

welcome to the future

HGE.net has constructed a next-generation communications network right here in the Pioneer Valley. We deliver services you wouldn't expect to find outside of major metropolitan areas, at prices that are affordable for every business.

limitless bandwidth on demand

From 200kbps... to T-1... to 100Mbps and more, HGE.net has solutions to meet your company's bandwidth needs for the decades to come. And our unique fiber-to-the-building network structure assures that you will have access to additional capacity whenever your business needs it. We're here for you today... and in the future.

in business since 1902

HGE.net is a service of Holyoke Gas & Electric, a local company that has been keeping thousands of businesses warm and bright since 1902. Today we carry that same commitment to customer service to HGE.net as we empower the Pioneer Valley with advanced internet and telecommunications services.
