99 Suffolk Street Holyoke, MA 01040 413-536-9300

Holyoke Gas & Electric Department Energy Conservation Program Proof of Installation

This form is to be completed and returned with signed contract before payment will begin to be processed. Payment will not be made until this form is completed.

To be completed by homeowner/property owner:

Customer Name: _____

Address: _____

HG&E Account #: _____

Signature of Customer: _____ Date: _____

To be completed by contractor:

Name of Contractor: _____

Address: _____

City, State, Zip: _____

Phone number: _____

I, _____, certify that:

1. Any materials required to complete the improvements have been furnished and installed by me.
2. The improvements were completed to the Customer's satisfaction in accordance with the Agreement with the contractor and the customer; and
3. The customer signed this proof of installation after completion of the improvements.

The contractor warrants that all work that has been proposed is in compliance with the Holyoke Gas & Electric Department Energy Conservation Program. I certify that I have all required licenses for the installation of this project. (At HG&E's option, the completed installation may be inspected by HG&E personnel or its representative to insure compliance with the program).

Authorized Signature: _____

Date: _____

Building Permit Number: _____
