

Current Construction & System Maintenance Projects

Updated: September 26, 2025

If you have any questions, please Contact: Customer Service: (413) 536-9300

Bill Sullivan, Gas Engineer: (413) 322-1523

Vinny O'Connell, Electric Engineer: (413) 536- 9485

Please note: This is not a complete list of projects. Regularly scheduled construction activities typically take place between 7:00 am and 4:30 pm. Future Projects may be delayed or cancelled at HG&E's discretion.

Tree crews and other HG&E contract personnel will be working at various times and locations throughout the year. If there are any questions regarding tree crews and/or other contract personnel, please call (413) 536-9355.

Current Projects

Beacon Ave - Gas

Location	Beacon Ave by rear entrance to 1500 Northampton St
Description	Gas Main and Service Upgrade - This project is related to the new bank construction project
Impact	Customer's gas service will be interrupted for approximately 4-6 hours while HG&E replaces the piping from the gas main to the gas meter. Parking signs will be placed on the side of the road at the end of each day to keep the target work area open for the next morning. Throughout this project, HG&E will maintain one lane of traffic as much as possible. In order to complete the project, there will be times HG&E will have to close the road and implement a detour.
Duration	Expected completion date: 10/10/25

Cabot St - Gas

Location	Cabot St from Canal St to Race St
Description	Gas Main and Service Upgrade
Impact	Customer's gas service will be interrupted for approximately 4-6 hours while HG&E replaces the piping from the gas main to the gas meter. Parking signs will be placed on the side of the road at the end of each day to keep the target work area open for the next morning. Throughout this project, HG&E will maintain one lane of traffic as much as possible. In order to complete the project, there will be times HG&E will have to close the road and implement a detour.
Duration	Expected completion date: 12/31/2025

Cabot St & Sargeant St - Gas

Location	Intersection of Cabot St & Locust St
Description	Gas Main Replacement - This project is being prioritized ahead of a planned City paving project.
Impact	Parking signs will be placed on the side of the road at the end of each day to keep the target work area open for the next morning. Throughout this project, HG&E will maintain one lane of traffic as much as possible. In order to complete the project, there will be times HG&E will have to close the road and implement a detour.
Duration	Expected completion date: 10/1/2025

Canal Outage - Hydro

Location	Downtown Holyoke - 1st, 2nd, 3rd level canals
Description	Annual Spring Canal Outage
Impact	During this time, the canals are drained for inspection and maintenance.
